General Information

Bulletin 175 describes the selection criteria, and entry requirements for competitions during the 2017-2018 season. A graphic, simplified version of the National HP competition program is in the section entitled National Competition Progression.

Notification

All National and Development Team members must have completed and signed a National Team Agreement in order to be eligible for selection to any of the following competitions.

Team Selection Procedures

All skaters must qualify for international competition through the standards set by the ISU to be eligible to compete in each event. Speed Skating Canada will select athletes for each event in accordance with the following general procedures.

Skaters may request a Bye for selection as detailed in the procedure and policy for the allocation of Byes. The Policy can be found on the SSC website in Bulletin 178.

National Team Uniforms

All skaters are required to wear cut resistant clothing (undergarment or racing suit) that meets the ISU standards as described in ISU Communication 1265.

ISU regulations regarding helmets in International competitions are available in ISU Communication 2088.

Specific to International competitions

Naming of Teams

Selection to a Team is provisional until any and all bye requests have been considered. Once all bye requests have been considered, SSC will then formally announce a team by posting the team list on the SSC website. Every effort will be made to ensure that this occurs within 7 days of the selection event.

For each Team, the HPCST will name an alternate athlete in the event that a replacement is required. The selection of the alternate is at the sole discretion of the HPCST.

Replacement of Skaters

The HPCST reserves the right to replace a skater if medical advice is such that competing in the event may be potentially injurious to the selected skater or that the skater has not recovered sufficiently from an existing injury.

If a skater who is named to a team withdraws or declines his/her position on the team prior to departure for the competition he/she will be replaced on that team at the discretion of the HPCST, and according to budgetary considerations.

If a skater who is named to a team withdraws from that team due to injury, illness etc following departure from Canada for the competition, or series of competitions he/she may be replaced on the team at the discretion of the HPCST.

Specific to National Competitions

In order to compete in these competitions skaters must be Canadian citizens and registered participants of Speed Skating Canada. The competitions will be held on the ISU 111.12m oval track. ISU racing rules will apply unless otherwise indicated by SSC.

During an event sanctioned by Speed Skating Canada, athletes must not wear a competition uniform (skin suit) identified as belonging to a national team or to another country, unless he or she belongs to that team or country at the time of the competition. (SSC Rule N1-106).

In addition, no Speed Skating Canada National or Development Team skin suit from a previous season is permitted to be worn by any skater during any National event detailed in this Bulletin unless authorized by Speed Skating Canada.

2017 / 18 International Competition Team Selection Criteria

Fall World Cups 1, 2, 3 and 4

Eligibility:

ISU determines the eligibility of Canada to submit entries for the World Cups.

An eligible skater is a skater who has reached the age of 15, by July 1st, 2017. (ISU Rule #108)

Quota: The Fall World Cup teams will be composed of six (6) women and six (6) men.

Selection procedures:

The 2018 Provisional Olympic Games team and the alternate (6 skaters per gender) will be selected to participate in Fall World Cups 1, 2, 3, and 4.

Individual distances:

The National team head coaches will select athletes for individual distances according to the individual athlete needs for preparation and team requirements for the 2018 Winter Olympic Games.

World Short Track Championships

Eligibility:

ISU Rule 281 determines the eligibility of Canada to submit entries for this Championship.

An eligible skater is a skater who has reached the age of 15, by July 1st, 2017. (ISU Rule #108)

Quota: The World Short Track Championships 2018 Team will be composed of five (5) women and five (5) men.

Selection procedures:

Athletes will be selected for this Team in the following priority order:

1. Athletes selected for the 2018 Olympic Games Team
2. Olympic Team alternate
3. Any remaining team positions will then be selected in ranking order at Canadian Senior Selections #1

Selection for the individual distances and relay teams will be made as follows:

Individual distances:

Athletes who win an individual distance medal at the 2018 Olympic Games will be given priority for selection to skate the individual competition at World Short Track Championships. If there are more than 3 skaters per gender who have won an individual medal they will then be selected in order of the medal won and then in order of total individual medals. In case of a tie

in type and number of medals won, skaters will be selected for the individual distances at the absolute discretion of the HPCST from amongst the team selected for the World Championships.

Should no skaters win an individual distance medal at the 2018 Olympic Games, skaters will be selected for the individual distances at the absolute discretion of the HPCST from amongst the team selected for the World Championships.

Relays:

All 5 team members will be eligible for selection for the relay competition, however the National Team Head Coach at the World Championships will determine the composition of the relay team for each round of competition.

Special notes:

If an athlete's training performances are clearly below their performances that earned them selection to the World Short Track Championships Team, the HPCST may make the decision to replace this skater either for entry to an individual distance and/or the relay team.

All skaters selected to the senior World Championship team must inform the Short Track Program Director or National Team Program Coordinator (in writing) by March 9th, 2018 as to whether they will compete in the Championship.

World Junior Short Track Championships

Eligibility:

A Junior skater is a skater who has reached the age of 14, but not the age of 19 by July 1st, 2017. (ISU Rule #108)

Quota: The Team will be composed of four (4) women and four (4) men

Sequence of decisions and team selection criteria: World Junior Short Track Championships

Athletes will be selected on the basis of the overall results of the Canadian Junior Short Track Championships , pre-selection and byes as described below.

Step 1 **Pre-Selection:**

Junior skaters who have earned selection to the provisional 2018 Olympic Team will be pre-selected to the World Junior Short Track Championship Team.

A maximum of **two (2)** athletes per gender may be pre-selected to the World Junior Short Track Championships, in the order of their selection to the provisional Olympic Team.

Step 2 Select the highest ranked athletes from the overall results of the Canadian Junior Short Track Championships up to a total of **three (3)**, including those who were pre-selected in Step 1.

If a tie in points exists, the athlete with the higher cumulative overall ranking prior to the Super 1500m, including only the 500m, 1000m and 1500m distances of the Canadian Junior Short Track Championships will be ranked higher.

Step 3 If a request has been made for a bye, it will be evaluated according to the Bye Policy (see Bulletin 178) specific to byes for the World Junior Championships. If the bye is accepted, the athlete will be placed in the 4th position on the team.

If no request for a bye has been made, or if a request or requests have been made but have not resulted in placing the athlete on the team, then the next athlete of the overall results of the Canadian Junior Short Track Championships who has not been already selected to the Team will be selected

If a tie in points exists, the athlete with the higher cumulative overall ranking prior to the Super 1500m, including only the 500m, 1000m and 1500m distances of the Canadian Junior Short Track Championships will be ranked higher.

Individual distances:

The top two (2) men & two (2) women identified in Step 1 and/or Step 2 (above) will automatically be entered for the individual distances at the World Junior Championship competition. Any skaters who have been pre-selected to the team will be considered as the highest ranked athletes and will automatically occupy these positions.

The remaining individual distance entry will be determined at the absolute discretion of the HPCST from amongst the remaining team members.

In order to meet the overall objective of Team selections for the individual distances the national team coaches' will assess skaters based on a number of elements which may include the following criteria (listed in no particular order):

- Potential for Podium performances
- International performances & experience (limited to ISU World Cups & World Championships Senior or Junior & FISU Universiades)
- National performances
- Training performance
- Readiness for competition
