HIGH PERFORMANCE BULLETINS

The philosophy for team selection is to select the athletes that will achieve the best possible results for Canada at Olympic Games and World Single Distance Championships.

The High Performance Committee will issue bulletins periodically throughout the season informing Skaters, Coaches, ODC and SSC Branches of any update and/or changes to selection criteria, competitions, etc.

The HPC reserves the right to modify or change the enclosed policies in the event that exceptional circumstances arise and that any such changes are clearly in the best interest of the High Performance program. In these situations, all athletes and coaches will be advised of any changes as soon as they are confirmed by the HPC.
