Amendment to High Performance Committee Long Track Bulletin 163 – January 21, 2013

The following is to provide clarification to HPC-LT bulletin 163 and the 2012-2013 Canadian Ranking system listed on page 19. In bullet point 3 pertaining to the Canadian Ranking Series Competitions HPC-LT bulletin 163 reads:

3. Canadian Ranking Series Competitions 2012 – 2013

The best 4 out of 6 competitions will count towards this ranking

Fall World Cup Trials

Canada Cup #1

Canadian Single Distance Championships/Canada Cup #2

Canada Cup #3

North American Championships

Canada Cup #4

To clarify further the meaning of ‘best 4 out of 6 competitions’, the HPC-LT will consider the following races from the competitions listed above as counting towards the Canadian Ranking Series for 2012-2013:

500 m	Ladies and Men	Best 8 of 12 races used for ranking
1000m	Ladies and Men	Best 6 of 10 races used for ranking
1500m	Ladies and Men	Best 4 of 6 races used for ranking
3000m	Ladies	Best 4 of 6 races used for ranking
5000m	Men	Best 4 of 6 races used for ranking
5000m	Ladies	Best 3 of 4 races used for ranking(No Bonus points)
10000m	Men	Best 3 of 4 races used for ranking(No Bonus points)

The rationale for making the above amendment is to address there being only two 1000’s at some events and no 5000(women) and 10000m (men) at Canada Cup 3 and the North American Championships.
