This questionnaire should be used to provide feedback to the coach on their ability to provide support to athletes in training. The three criteria that are sought in this assessment involve safety, organization and the quality of instruction (interventions). The form is to be submitted as part of a portfolio and used by a trained and accredited evaluator to validate the achievement of the criteria. Please refer to the specific guidelines and requirement for using this type of tool for evaluation of the outcome; Provide Support to Athletes in Training.

Please check the appropriate box for the person submitting this assessment.
